# COED CONFESSIONS

## REI SANOI

**Balancing act:** During the week I am all about homework and studying, but when the weekend comes around it's fun time with my friends. **Brain freeze:** On my first day of school, I went to one of my classes on the wrong day and proceeded to argue with the professor for half an hour until I finally realized that I was in the wrong class! **Study aid:** When I have to put my studying into overdrive I rely on junk food and Red Bull! But I try not to eat too much or I get sleepy. I can't live without: Ice cream. **Best thing about college:** Knowing what I have accomplished to get where I want to be. **Worst thing:** Parking—it's almost impossible.

## SHELLY MARIE

**Social scene:** I like to combine studying with socializing—there's nothing better than martini night with a study group. **All-nighter:** The one thing that gets me through cramming for an exam is a quickie right before studying. It gets my heart racing and helps me focus. **Reality bites:** I hate reality TV! There's enough drama to deal with in everyday life so why sit and watch someone else's? **Stress relief:** When I need to blow off some steam I like to go dancing all night long. It gets everything off of my brain. **Weakness:** Pizza.

## ALANA BAILEY

**Party animal or study bug?** I would much rather party than do homework any day of the week. **Partying is such a distraction for me that I end up doing homework at 4 a.m.—but I find a way to get it done!** **Magic potion:** Coffee, coffee, coffee! I love caffeine and can't live without it. **No pain, no gain:** Working out makes me feel in control and powerful. **Whatever is stressing me out, I imagine that as my punching bag and I go at it!** **Dating dilemma:** Most of the boys at school don't have much money to date. I've dated older men, which isn't a bad thing—they know how to treat a lady. **Guilty pleasure:** I love watching the E! channel. I like catching up on celebrity gossip and *The Girl's Next Door* is my favorite show—I laugh the entire time!

# NAKED TRUTH: INBOX

FROM: C.D. Subject: Strike a bold pose

The April/May issue of *Lingerie* is the only SE I recall in which most of the models struck at least one pose that was somewhat daring by today's standards. Such magnificent women as grace your magazines are never so beautiful as when their charms are fully and unabashedly displayed. Kudos and admiration to Shannon Gilbert, Lisa Lacey (left), Clare Elizabeth and several others for their breathtaking boldness.

FROM: Roman Subject: Beautiful Bianca

I just picked up a copy of *NUDES* and couldn't wait to tell you that I think cover girl Bianca Deacy is absolutely beautiful. I especially like her piercing—it's very sexy! Show us more of her, please!

FROM: Shawn Subject: Asian appreciation

I'm a soldier stationed overseas and wanted to thank you for the pictorials of Rachel Lee in *College Girls* and *Natural Beauties*. She is a total knock-out—I love her wonderful smile and tight little body. Please put more beautiful Asian girls in all of your editions. Thanks for the morale boost!
